

INCOME VERIFICATION

In order to qualify for our OceanFirst Foundation Scholarship, you must complete the income verification process to receive a scholarship award. If you are an applicant for the Scholarship and your child qualifies for low/moderate income status, you will receive \$250 towards your child's tuition. If you have more than one child applying for a scholarship, only one income verification form is needed.

We consider low/moderate income for Monmouth & Ocean Counties to be as follows:

Family Size	3	4	5	6	7	8
Moderate Income	\$93,639	\$104,043	\$112,367	\$120,690	\$129,013	\$137,337
